3. I request that substantive examination and any supplementary search be conducted on the basis of the original claims or revised claims which may timely be filed for these purposes at a later date.
4. I request that excess claim fee liability calculations should be based on the claims as they stand at the date of this letter as amended by any amended claims filed within the Rule 109 EPC period to be set by EPO Form 1226 (Rules 109 and 110 EPC).
5. The aforementioned fees will be paid by debit to our deposit account number 2805 0142. In the case they have not been debited and applied to this matter by the deadline for the payment of these fees, this letter constitutes alternative authority to debit the above deposit account with the fees concerned. We trust, however, that there will not be duplicate debiting of the account.
6. Please also:-
 - a) Confirm that the European patent application number shown above is the correct one allotted to the above-mentioned PCT application for the EPC regional phase.
 - b) Confirm that the Article 20 PCT Communication has been received.
 - c) Confirm that no additional documents or fees are required prior to the renewal fee due January 31, 2007.

Please acknowledge receipt of this letter by returning the enclosed EPO Form 1037 in due course.

Yours faithfully
